Norton Capitoné MERIDIANI VOL. 1

Technical sheet, for professional use

Norton Capitoné è un divano immaginato e prodotto come un blocco unico, ma scandito da una successione di volumi differenti. La lavorazione capitonné caratterizza e avvolge completamente il prodotto: braccioli, seduta, schienale presentano un'elegante uniformità tecnica e stilistica. Norton Capitoné è un'opera di alta manifattura, realizzabile grazie a uno straordinario know-how e a una consolidata e sapiente esperienza artigianale.

Norton Capitoné sofa has been imagined and realized as a single element with volumes, but marked by a succession of different volumes. The 'capitoné' quilting characterizes all sides: arms, seat and back show a refined uniformity in terms of technicality and style. It is a work of high craftsmanship, realized thanks to an extraordinary know-how and a consolidated artisanal experience.
